UNSOLICITED TESTIMONIALS.

From **W. E. CHAPMAN, Esq.**—Imre Kiralfy, Limited, Olympia.—"Please forward us an extra complete set of cuttings. I have discontinued one of the Agencies in your favour on account of the more thorough manner in which your work has been performed."

From the **Rev. Dr. WILLIAM LEE.**—"After several years' experience, I have much pleasure in expressing my satisfaction at the prompt way in which you search out long forgotten and unindexed Journals, &c. Your translations show the employment of educated linguists, and the type writing is of a character which redeems that invention from the reproach that has been cast at work done by so many typists.

From **W. S. CAINE, Esq., M.P.**—"I am much obliged to you for your constant kind attention. It is a matter of pride to me that I was one of the earliest subscribers to a firm which has become one of the most important institutions in the country. Public men are under a great debt of gratitude to you, and some day we must erect you a monument."

The Metropolitan Police have subscribed consecutively for the last 8 years.

Sept 20th 1893
