WITH NEWS.

New York, March 31st 1898.

Mr. Emile Zola,
Paris, France.

Dear Sir:-

We learn that as soon as you are permitted to do so you will come to the United States for a lecture tour. Will you kindly let us know if this is true, when you are likely to start, what part of lectures you are going to give. We would like to give a full account of this to the American public by publishing it in the leading papers all over the country. We are sure that such a publication will not only greatly interest the public but afford them the greatest pleasure.

Kindly enclose us your photograph and oblige,

Very truly yours,

Managing Editor-in-Chief.
