Notice créée par [Florence Tessier](#) Notice créée le 28/07/2022 Dernière modification le 17/12/2024

Handwritten text on the left page, oriented vertically. The script is dense and appears to be a historical or scientific record. The text is written in a cursive hand, with some words appearing to be in a non-Latin script or a highly stylized Latin. The page is aged and shows signs of wear, including some staining and discoloration.

Handwritten text on the right page, oriented vertically. The script is dense and appears to be a historical or scientific record. The text is written in a cursive hand, with some words appearing to be in a non-Latin script or a highly stylized Latin. The page is aged and shows signs of wear, including some staining and discoloration.

Handwritten text on the left page, oriented vertically. The script is dense and appears to be a historical or scientific record. The text is written in a cursive style, with some words appearing to be in a different language or dialect than the surrounding text on the right page. The page is numbered '10' at the top left.
