Description & Analyse

Description

En 1888, la publication de *L'Immortel*, roman satirique attaquant violemment l'Institut, fit beaucoup de bruit dans le monde littéraire. Alphonse Daudet avait déjà affirmé son refus de se présenter à l'Académie depuis sa lettre ouverte au *Figaro* en novembre 1884. La parution de *L'Immortel* appuie cette déclaration. Le récit connaît un grand succès en raison du scandale qu'il a provoqué. Dans la presse, les articles se succèdent opposant les académiciens aux adversaires de l'institution. Quant à Daudet, il affirmera toujours son indépendance.
