THOMAS WRIGHT: THE 'JOURNEYMAN ENGINEER'

The author whose works appeared under the by-line "Journeyman Engineer," was a Thomas Wright, of Liverpool, a blacksmith who settled in southeast London. His three most famous works (reprinted below) provide a truly unique sociological account of working people in England. There is nothing comparable written by a workingman in the third quarter of the nineteenth century. Invaluable documentation of working class society by a skilled worker!

- * ROBERT L. DUGDALE. **THE JUKES**. A Study in Crime, Pauperism, Disease and Heredity. With a Foreword by Elisha Harris and an Introduction by Franklin H. Giddings.

A widely influential classic in American social investigation first published in 1877.

****Bremner**, p. 70 "expressed both the contemporary concern regarding the 'dangerous classes' and the proclivity to lump dependency in the same category as criminality. One reason why there was such a paucity of systematic knowledge about poverty in America was a self-inflicted mortification. This attitude has the result of directing toward pauperism and crime most of the sociological research undertaken in the United States prior to the 1890's."

4th ed., 1910/1971 v, 120 pp. 00796-9 \$6.50

- WILLIAM C. PRESTON (ANDREW MEARNS¹). **THE BITTER CRY OF OUTCAST LONDON**. An Enquiry into the Condition of the Abject Poor.

One of the most effective pamphlets ever written on a social question, this widely read missionary tract aroused the public to the gravity of the problem of London poverty.

¹New evidence indicates that the authorship should be attributed to Andrew Mearns with William C. Preston as his literary collaborator.

1883/1969 20 pp. 08022-4 \$6.50

- GEORGE R. SIMS. **HOW THE POOR LIVE AND HORRIBLE LONDON**.

The papers which form this volume were originally published in *The Pictorial World* and *The Daily News* and were drawn upon in the preparation of *The Bitter Cry of Outcast London*.

1893/1971 150 pp. \$7.50

CHARLES JAMES RIBTON TURNER. **A HISTORY OF VAGRANTS AND VAGRANCY** And Beggars and Begging.

A neglected comprehensive history with many details nowhere else available.

****Williams, II**, p. 253 "quotations from sources, especially Parliamentary papers."

1887/1971 xxi, 720 pp., illus. \$20.00

ROBERT A. WOOD ET AL. **THE POOR IN GREAT CITIES.**

****Bremner**, pp. 69-70 "A pioneer effort to examine urban poverty in a broad frame of reference. The introduction referred to the condition of the poor as the central subject of all social questions and cited relief of suffering and improvement in the standard of living of the masses as necessary forerunners of all other reforms . . . examined the extent of misery and the preventive and ameliorative activities under way in London, Paris, Naples, New York, Boston and Chicago."

1895/1971 xxi, 400 pp., illus. \$13.50

JOSEPH FLYNT (WILLARD). **TRAMPING WITH TRAMPS.** Studies and Sketches of Vagabond Life.

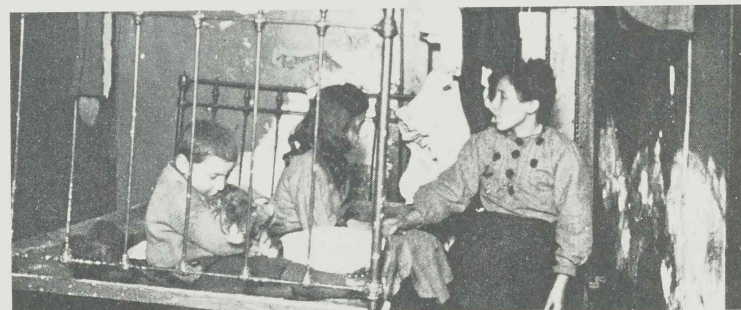

****Bremner**, pp. 142-43 "the most influential of the confession writers . . . later hailed as the originator of 'realistic sociology' and ultimately awarded the title of the 'first muckraker'. . . the distinction of Flynt's work lay in its flavor of authenticity . . . his success convinced other investigators that the scientific approach to social research was through firsthand explorations of life in the lower depths."

1899/1971 xlv, 398 pp. \$12.50

MRS. PEMBER REEVES. **ROUND ABOUT A POUND A WEEK.**

The author worked in collaboration with other Fabians in preparing her 'Fabian best seller' — a social survey in the tradition of Booth and Rowntree. Concerned mainly with the unskilled and casual laborers, her study concluded that this social strata numbered some eight million "underfed, under-housed and insufficiently clothed" who existed on less than 25 shillings a week. Her work remains a classic and reliable survey of poverty in Great Britain on the eve of the first World War.

1913/1971 viii, 231 pp. \$9.50

⊕ WARREN FRENCH, ED. **A COMPANION TO THE GRAPES OF WRATH.**

The Grapes of Wrath is more than a Nobel Prize-winning novel — it is a social and historical landmark. This *Companion* offers background material on the plight of the Okies — contemporary reports documenting the prevalent conditions and flight from the Dust Bowl, the status of the migratory worker in California and the general atmosphere in which a vast segment of the public was suffering acute poverty. The complete text of *Their Blood is Strong*, Steinbeck's own factual account of the migrant's situation, originally published as a pamphlet in 1938, is incorporated.

"For anyone interested in Steinbeck or the grim phenomenon of the Dust Bowl, the book is indispensable." *Library Journal*
