Method of approach

1954

The method of approach is to start with a
 list of names of people who were in the
 area (see also page 200) and then to
 check the names (in the list) against the
 names in the list of names of people
 who were in the area (see also page 200).
 The names in the list of names of people
 who were in the area are listed in
 the list of names of people who were in
 the area.

The names in the list of names of people
 who were in the area are listed in
 the list of names of people who were in
 the area.
