L'air lui de My secret Life raconte

à propos de la fin.

My two in home school friends left off  
trigging, the elder mother who had a very long  
red nose, having come to the conclusion with me  
that frigging made people mad and, worse,  
prevented them afterwards from fucking and  
having family. Fred, my brother's cousin,  
arrived at the same conclusion, — by what means I  
never will be able to arrive at it, I don't know.
