My secret life

generalité de l'expérience?

f 163.

"Does every man ~~sex~~ kiss, coax, hint
smuttily, then talk lewdly, snatch a feel,
smell his things, assault and win, exactly as I
have done?" ... "Have all men the strange
fetters which fate in life have enraptured me,
though in early days the idea of them
revolted me. It can never know this; my
experience if printed may enable others to
compare as I cannot."

164

Il me pose une questionnaire (à ce sujet de
questions très évidentes). Il se cache en que le
questionnaire doit être fait lui-même de
découvrir la vérité et de voir du plaisir. Il veut
de savoir "est"

"all that women had hidden of their
bodies, to compare and note differences
and ask every one of them questions
about their sexual tastes, sensations
and habits."

My secret life

Journal of a woman

"Do you mean when I kiss you, that
sincerely, then talk yourself, and to a feel
with his fingers, and you, exactly as I
have done?" "I have a few the things
which which life has experienced me
through in early days the idea of them
referred me. It can never know this; may
be possible if you would ever be able to
compare us I cannot."

It is true we have known each other for
years, but I do not know you. It is not
your business to tell me about the
things that you do. I do not know
the name of you."

"All that woman had hidden of her
nature, to compare and into of her
and she is every one of her friends
about their secret parts, and
and that."
