Clement Duker.
Health at school
London 1982

Responsabilité morale des
parents

127

- Parfois l'école n'a pas le temps d'être un lieu
où l'enfant qui développe alors son caractère
remonte de l'école. Les parents restent généralement
responsables, "whereas the guilty offenders are
the parents themselves, for not fulfilling their
parental duties while the children were young".

148.

- + parents : "moral de l'éducation, l'école ne peut
"where what the child / put in his life? Why
do the parents nothing to prevent it... The boy has
been victim of an unbalanced system of education".

196

149 - Le self respect est l'élément principal de l'éducation.

197 : "Si on a l'habitude de se respecter soi-même,
en fait, on ne peut pas ne pas se respecter. Si on se
respecte lui-même et son propre corps, il sera aussi
"safe" et l'école que n'importe quel lieu d'éducation".

Health of school
1885

The first thing that I noticed when I stepped
out of the school door in the morning was
the fresh air. The school was situated in a
beautiful spot, and the children were
all healthy and happy. The first thing that I
noticed when I stepped out of the school door
in the morning was the fresh air. The school
was situated in a beautiful spot, and the
children were all healthy and happy.
