30 Jan'y 49

My dear Sir of the 200th Anniversary
of the first cause of
our revolutions.

What day can you
come to us? Choose for
yourself - we are al-
ways at home. We
should be glad also to
have the pleasure of
receiving Mrs. demois =
seller if they can occu-
py the same bed, or
at least the same room;
and

and Guillaume also.
Your young ladies
could not need, I
think, to bring a maid
as we have a very
nice french maid in
the house.

You use an ex-
pression as if you
were thinking of an
early return to France. Should be
- I see no such prospect; nice!" This
on

on the contrary
except to
Vell. Moli
turn to the
the last day
(end of p 303.
you will see
anticipate
how happened
day in p 30
word "mere"
should be
"nice!" This

on the contrary, I rather
expect to see M. Thiers
tell. Molière him. I pray
turn to the last pages of
the last quarterly review
(end of p. 303. & p. 304 & 305)
you will see how clearly
be anticipated that is
now happening:— by the
way in p. 304. l. 15 the
word "mere Jacobinical"
to France: should be "more Jacobin-
ical" this slight error
of

of the paper very much
alter the sense.

My wife, to whom I
have shown my letter,
desires me to say that
she has separate rooms
for the young ladies if
they please, & also for
their maids if they wish
to bring one.

Ever sincerely yours

W. Parker

We dine out tomorrow, but have
at present no other engagements.
Our carriage will fetch you, & your
