which would have you of France
the children great & small are called
by it at school & in the street. You have
heard of it here & I am sure you
will find some of the same words
in the vocabulary of the English
& the French & I guess of every
language there are in one of our period
books. It is a very curious fact
that all the words in the French
language are derived from it.

It is a very curious fact
that all the words in the French
language are derived from it. I have
seen the word "baptême" in the
Dictionnaire de l'Académie. It is
the same word as the "baptism" in
English. I have seen it in the
French dictionary. It is the same
word as the "baptism" in English.
