way of trusques. I believe it

as to till me what he be soll Kem. I have over a long time without anting to you - nouch bages to an I interested but the reason principally is that I have been called several himes conseports who the country, which have a poor deal intracted after trung from I were know have bear without pring very particules distant Sitt Report to anything

Red way was for you to for you the see for time turnthe, has carried away lentent of my old print, and away the rest poor he littlet deplember the was a friend whom I becomed very reach I want to Morrowth after his death to give what above and accidence I could to Lady Marge, alle present one to take any of his books and manneright of chose, and denny He nest I brought down some large collections be had to all from the paper left to them, to Sight to wante to the history of the great whillier a 1834 called the belgroungs of grove, on which is without the fellowings to water a book . It is the notherety helyiet . I new art got quite beterminal what to be with these wer. terials but I have town it is of making them. The foundation for a historical consense as shirt I would by to pick an track picker of the county. at their we period.

the see just see in the built of opinion the seems of liverey and seemsty is market to the land the seems to above year how, a Key to in France and other countries on the cartifal the bruise time of the friends to bean I believe to Hallam was expected today of much his Robert haplis on Theeles els, I thought, was bothing takenely with I supre missing take howards the had

of farmany, and it will be a great happiness to ne to excel you there. Till there I do with think I thall quit throughton, taleful by chance for a day or time, and I will will say know place I dell be to be of any source to you in my person of suppose you are in committee took a furtherists for your both to be the print to be the print to be the person of the person

with for your perspecies and happeness. One should be planted on you have again, but we me shell more glad to be that there is at freezest no prospect of any trackle in Print you from your own home against your inclination. I remain my few day with Harrice of fully

of rapert. How very partifully,

Thomas wrists

he was history of Radian I have the with the happy, as the total of two throughout administration and with the training of the tend again of thembe I, both apalant are taken supportant hast in the history of their term made Traffer and fale.
