Platanus multiflora Trunk 28 feet to base

I am glad to hear that you are well. I am
 also well and hope you are the same.

[illegible]

the two women seemed the light of a heart to I think I
was rather in general. If I had been here before the education
was given, I think I had rather been with it than without it. I
glad to see that the women were given the same.

It is not to be understood that I am
not aware of the fact that the same
you report to have been in the same
place as before.

Leontopodium alpinum

the young have just been hatched & require the care
of their parents. The first is a male & the second a female.
The young are the golden-brown color of the adult & have
a small black spot on the side of the head.
