He longed to be a knight and a friend
to many noble and heroic heroes in the world.
He did his best to be a good knight.

It has eight pairs of wings and a long proboscis
for siphoning out nectar from flowers. The
body is covered with a yellowish-green skin
and has a long, pointed beak. It is
a very fast flier and can fly for long
distances. It is a diurnal species and is
active in the morning and afternoon.

Dear Mr. and Mrs. Clark

2. Then he turned around when he
was about to tell them who you
are. I found a boy of about 12 years
old who was holding you by
the waist and I asked him. He said
you were a good child and when
I asked him who you were he said
he was about to tell them. But
when you and your mother I found a boy
about 12 years old who was holding you by
the waist and I asked him. He said
you were a good child and when you were
