I have been thinking of writing you for some time
 but have been so busy that I could not find time
 to do so. I am now in the city and I am
 very busy with my work. I am
 very well and hope you are the same.

1. The first is the *Principles of Geometry*, which is a treatise on the foundations of geometry, and is one of the most important works in the history of mathematics. It is written in a clear and concise style, and is a masterpiece of logical reasoning.

Monseigneur l'Evêque, vous prie de lui dire de la part de son
père, de lui dire de la part de son père, de lui dire de la part de son père.

The children passed some time in the garden
 and had some refreshment in the house.
