A large Andaman fish
I don't know what it is
I think it's a big grouper
and it must be a good fish
but I can't get it to take the hook
so far.
A yellowtail was hooked
but it got away
I think it was a good fish
but I didn't catch it.

As I have been engaged
to you with the business of a large
firm, I have not had a great deal of time
for my own studies. I have however
had the opportunity to study some
of the more important parts of
the law and I have also had
some time to study the principles
of political economy. I have
also had some time to study
the history of the United States
and the world.
