TRANSLATOR'S PREFACE. vii

its actual course; it enshrines the occurrences, purposes, and doubts of the hour, in a monument of imperishable duration; and it sets in the full light of truth one other character, perhaps the only other in modern history, which never sought or needed to cast a shadow of obscurity over any incident of a long and arduous career. In these memorials of Washington, indeed, there is more of the entire man: the confidences of friendship, the melancholy or the plesantry of private intimacy, the outpourings of a retiring mind, reluctant to be great: in the published papers of the Duke of Wellington, the whole is action. But, although it be as much beside my purpose as it is beyond
